Professional Summary:

MERN Stack Developer with **2.5 years of overall experience**, including **1 year as a Test Engineer** and **1.5 years in MERN Stack development**. Experienced in building responsive web applications using React, Redux Toolkit, Node.js, Express.js, and MongoDB. Skilled in frontend enhancements, API integration, and server-side logic. Supported minor UI changes for payment gateway integration. Strong background in automation testing with Selenium and Postman, ensuring product quality and reliability. Collaborative team player with Agile experience and a focus on maintainability and problem-solving.

Technical Skills:

- | | | |
|---------------------|---|---|
| • Languages | : | HTML5, CSS3, JavaScript (ES6+) |
| • Libraries | : | React JS, Express JS |
| • Database | : | Mongo DB |
| • Styling Libraries | : | Bootstrap, Tailwind CSS |
| • State Management | : | Redux, Redux Toolkit |
| • API Integration | : | REST APIs |
| • Build Tool | : | NPM |
| • Test Framework | : | Selenium (Java), Test NG |
| • Version Control | : | GIT |
| • Methodology | : | Agile (Scrum) |
| • Soft Skills | : | Cross-function Collaboration, Process Optimization, Communication |

Professional Experience:

Junior Software Engineer

Concentrix Catalyst Technologies Private Limited, Hyderabad

07/2022– 11/2024

MERN Stack Developer Client: Shopify – E-commerce Platform

(1.5 Years)

- Developed product listing and cart features using **React.js, Redux Toolkit, JavaScript (ES6+)**.
- Built responsive pages with **Bootstrap**, ensuring cross-device compatibility.
- Integrated **REST APIs** for product catalogue and order tracking.
- Supported minor UI changes for payment gateway integration.

- Designed backend logic with **Node.js, Express.js, and MongoDB (Mongoose)**.
- Collaborated with cross-functional teams to align technical features with business requirements.
- Participated in Agile ceremonies, delivering tasks within sprint timelines.

Software Test Engineer Client: NIKE – Warehouse Management System (WMS)

(1 Year)

- Designed and maintained automated test scripts using **Selenium WebDriver (Java)**.
- Implemented a **hybrid automation framework (POM + Data-Driven Testing)** to improve reusability.
- Verified business logic, UI consistency, and API responses using **Postman**.
- Collaborated with developers, BAs, and QA teams in an **Agile Scrum** environment.
- Used **JIRA** for test case management, defect tracking, and sprint planning.
- Integrated test execution into **CI/CD pipelines with Jenkins**, improving deployment efficiency.
- Maintained version control of scripts using **Git** and performed cross-browser testing.

Key Achievements:

- Improved regression testing efficiency by 30% through automation framework reusability.
- Contributed to successful rollout of Flipkart's cart and checkout module with secure UI flows.
- Reduced UI defects by collaborating closely with QA teams and implementing accessibility standards.
- Delivered sprint tasks consistently on time, supporting Agile team velocity.

Projects:

Cart-a-Product (Testing Project)

Automation: [Cart-a-Product](#)

- Designed automated test scripts for warehouse-style product workflows.
- Validated UI behaviour and API responses using Selenium and Postman.
- Implemented Page Object Model for maintainable test automation.

Expense Tracker (MERN Project)

Frontend: [Expense Tracker Frontend](#) Backend: [Expense Tracker Backend](#)

- Built a full-stack expense tracker with **React.js, Node.js, Express.js, MongoDB**.
- Implemented secure authentication and CRUD operations for expense management.
- Designed responsive UI with semantic HTML and Bootstrap.
- Developed REST APIs for expense data handling and reporting.

Certifications:

- Scaler Certified: Unlocking the power of JavaScript.
- Udemmy certified: Java Programming.

Academic Education:

- | | |
|--|------------------|
| • K. L. University , Guntur | 2018 - 2022 |
| Bachelor of Technology (Electronics and Communication Engineering) | GPA: 8.99 |
| • Sri Chaitanya Junior College , Kurnool | 2016 - 2018 |
| Intermediate (Maths, Physics, Chemistry) | GPA: 9.3 |
| • Montessory (EM) High School , Kurnool | 2015 – 2016 |
| Schooling | GPA: 9.3 |

Declaration:

I hereby declare that the information provided above is true and correct to the best of my knowledge and belief. I take full responsibility for the accuracy of the details mentioned in this resume.

Sincerely,

Sethu Madhav Guntha.
